*Darest thou now, O soul,
Walk out with me toward the unknown region,
Where neither ground is for the feet nor any path
to follow?*

*No map there, nor guide,
Nor voice sounding, nor touch of human hand,
Nor face with blooming flesh, nor lips, nor eyes,
are in that land.*

*I know it not, O soul,
Nor dost thou; all is a blank before us;
All waits undreamed of in that region, that
inaccessible land.*

*Till when the ties loosen,
All but the ties eternal, Time and Space,
Nor darkness, gravitation, sense, nor any bounds
bounding us.*

*Then we burst forth, we float,
In Time and Space, O soul, prepared for them,
Equal, equipped at last . . . them to fulfill, O soul.*

Walt Whitman

Dedication

Richard Thomas Myers, M.D.

Dr. Myers was born in Macon, Georgia. He attended the University of North Carolina at Chapel Hill and received his M.D. degree from the University of Pennsylvania. After an internship and residency at the Hospital of the University of Pennsylvania, he came to Winston-Salem as a Fellow in Gynecology at Baptist Hospital in 1945. He then served as a resident in Surgery and was appointed to the faculty of Bowman Gray in 1950. He was named chairman of the Department of Surgery in 1968 and served as such until his retirement this year.

Dr. Myers' influence has made our rotations in Surgery a rewarding learning experience. His concern for students and his gentle bedside manner has made him a shining example for us all.

Margaret Geraldine Peavy

Geri was born in Johnson County, Georgia. She has served as Administrative Secretary to Dr. Nat Smith, Associate Dean of Medical Education, since July, 1973. Among her many duties, she plays a major role in the development and implementation of medical student curricula.

The senior class chose Geri to receive this honor because of her dedication and her sincere concern for our welfare. She is, above all else, our advocate and our friend.

Faculty Awards for Achievement

TEACHING EXCELLENCE

Awarded by the medical school administration, academic faculty, and student body.

JULIA M. CRUZ, M.D.

AOA APPOINTMENTS

March 1986

Howard C. Chandler, Jr.

SCHOLARSHIPS

- UPJOHN ACHIEVEMENT AWARD Daphne Bicket
For the senior, elected by classmates, who completely embodies the concept of the "Total Physician"
- FACULTY AWARD Diana B. Collins
For demonstrating overall scholarship and character
- PEDIATRIC MERIT AWARD Anne E. Schreck
For all-around ability and interest in Pediatrics
- OBSTETRICS AND GYNECOLOGY MERIT AWARD Charles P. Ellington, III
For outstanding academic and professional stature in Ob/Gyn
- SURGICAL MERIT AWARD B. Tilman Jolly, Jr.
For excellence in the field of Surgery
- ROBERT P. VIDINGHOFF MEMORIAL AWARD David E. Spivey, Jr.
For aptitude and devotion to the field of Family Practice
- M. ROBERT COOPER SCHOLARSHIP AWARD James P. Rathmell
For expressing serious interest in the field of Oncology
(Class of 1988)
- WILLIT AWARD William Ferrell, M.D.
For demonstrating interest and ability in Neurosurgery
(Class of 1985)
- C.B. DEANE MEMORIAL AWARD Maury M. Rosenstein
For outstanding work in clinical Oncology
- RICHARD L. BURT RESEARCH AWARD E. Thomas Chappell
For interest and achievement in Ob/Gyn research

In Memoriam

They are not dead who live
In hearts they leave behind
In those whom they have blessed
They live a life again,
And shall live through the years
Eternal life, and grow
Each day more beautiful
As time declares their good
Forgets the rest, and proves
Their immortality.

"They Softly Walk"

Barry Day

Jean Louise Welch Kempton
1914-1986

Having survived a serious illness with myasthenia gravis in her young adult years, Jean Louise Welch Kempton engaged in a life long study of vitamins and nutrition and devoted her life to spreading hope to other victims of the disease.

Instrumental in establishing the Welch-Kempton Endowed Chair in Neuromuscular Diseases at Bowman Gray School of Medicine, Mrs. Kempton and her husband, Dr. Donald E. Kempton, also supported the Kempton Nutritional Research Fellowship Fund and the Mary E. Welch Myasthenia Gravis Research Fund, begun by Mrs. Kempton's aunt. These funds have made possible the establishment of a clinic for myasthenia gravis research. The Welch-Kempton Myasthenia Gravis Award is given annually to a medical student for outstanding research in the area of myasthenia gravis.

Mrs. Kempton died February 20, 1986. Her contributions will be remembered with equal importance by society and the medical community.

Perry Belton Clark, M.D.
1939-1986

A native of Louisville, Kentucky, Dr. Perry Clark began his Winston-Salem practice in 1972, after completing his residency at Bowman Gray School of Medicine. He was president-elect of the Forsyth County Medical Society, president of Lyndhurst Gynecological Associates, and a clinical instructor in Obstetrics and Gynecology at Bowman Gray. He had been on the board of Planned Parenthood for six years and was an outspoken advocate of abortion and of prevention education as a way to reduce the number of teenage pregnancies.

Dr. Clark died on November 30, 1986. A man "larger than life," a devoted father and husband, a friend to so many. Friends and colleagues say that Perry Clark was a master at wringing all the potential and joy out of each day.

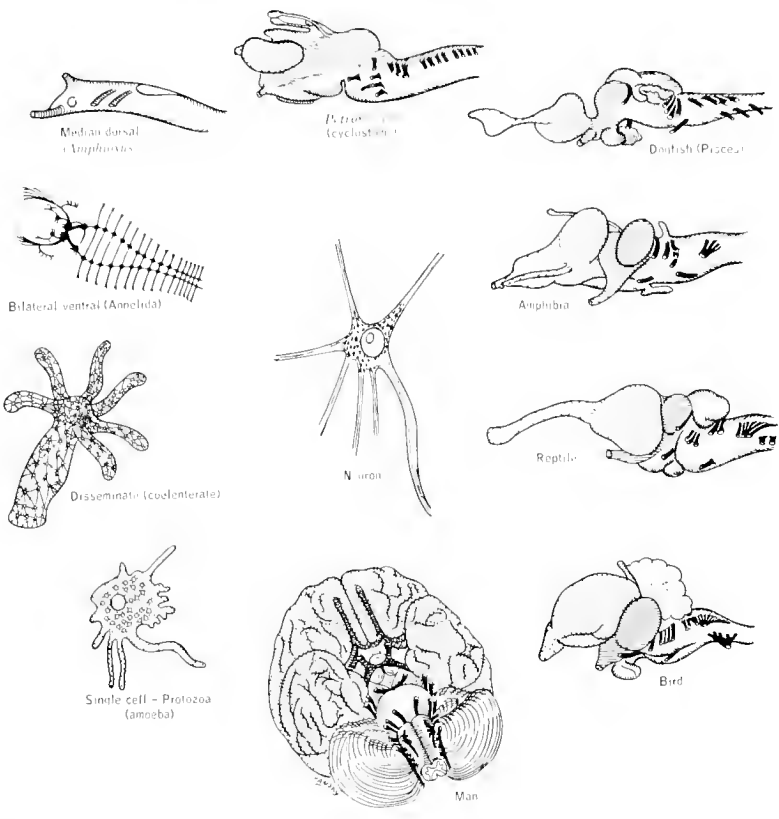

John James Stuart, M.D.
1939-1986

Born in Los Angeles, California, Dr. John Stuart came to Bowman Gray School of Medicine in 1976. He was an assistant professor in the research programs of the Section on Hematology/Oncology. His personal research interests included work on hemophilia and other hereditary defects of coagulation.

Dr. Stuart died on August 24, 1986. His memory will live on in the hearts of his family, friends and students.

Evolution of the central nervous system.

Nostalgia

A brief look at some of the more memorable moments of the past . . .

The first two years —

some friendships developed at an accelerated pace

in '83, all six were available, now remain only two

of course there were the requisite cocktail parties

recruiting early for the class of 1988.

The long hours, the smell,

and the party at Dr. McCreight's which celebrated its conclusion!

For two very long years —

we studied together,

we dressed together,

we were injured together,

and we relaxed together

...we were blessed with the innate ability to party,
no matter the occasion ...

... having someone to share them with made the bad times good, and the good times even better ...

... but as we look back, probably what we shall remember best, and miss the most,
are our friends.

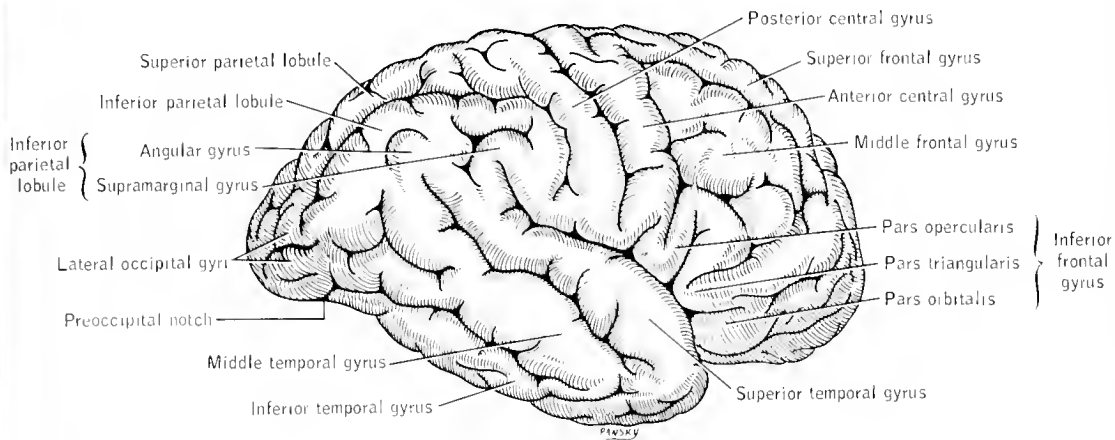

Match Day

Lesions in the visual pathways (1) bitemporal heteronymous hemianopsia, (2) homolateral blindness, (3) right nasal hemianopsia, (4) lateral homonymous hemianopsia, (5) homonymous hemianopsia, (6) homonymous partial quadrantanopsia, (7) same as (6), (8) plus (3) nasal heteronymous hemianopsia, (9) homolateral blindness plus contralateral temporal hemianopsia. Note. Lesions shown at (6) and (7) would involve more than those fibers indicated, thus accounting for loss of visual fields for both eyes.

WHO CAN PUT THE RIGHT KEY IN YOUR HAND?

Flow Motors Can!

Flow Motors can put the key to the automobile of your dreams in your hand! Whether you've been wanting the legendary engineering and performance of Porsche or BMW, a durable Volkswagen, sensible Hyundai, stylish Audi, dependable Honda, sporty Nissan, rugged Jeep, precision crafted Acura or all new Sterling. Flow Motors, the Piedmont's largest Import dealer has the selection. And at competitive prices, too! Plus, at Flow Motors, we offer outstanding service after the sale - more than 30 years of dedicated service experience that has earned many national awards like the Excellent Service Award to Forsyth Volkswagen, the Quality Service Dealer Award

to Forsyth Honda, the Consumer Relations Excellence Award to Forsyth Nissan, and the Registered Master Technician Award to Forsyth BMW, Forsyth Porsche, Forsyth Audi, and Forsyth Volkswagen, plus Flow Motors' outstanding Body And Paint Shop located at 2600 Peters Creek Parkway. At Flow Motors, we are dedicated to offering the highest quality service with every automobile we sell. When you're in the market for a new or used automobile, come to Flow Motors where selection, quality, and service all mean more value for you!

Ultrasonic and Blood Flow Instrumentation

DOPSCAN[®]

CW Doppler flow velocity imaging system with real time color spectral display. Noninvasively detects and quantifies carotid stenosis and detects flow lesions in the peripheral vascular bed.

DOPSCAN PLUS

Combination of CW Doppler flow velocity imaging system with real time color spectral display and real time B-mode diagnostic imaging system for vascular and small parts scanning.

Sonacolor[®] CD

Cardiac Doppler system with real time color spectral display for noninvasively estimating cardiac output and assessing stenosis, regurgitation and cardiac defects.

CLINIFLOW II

Electromagnetic blood flowmeter with automatic zero. Microprocessor based system provides maximum performance and stability. Designed specifically for vascular and cardiothoracic applications. Full line of blood flow probes are available.

CONGRATULATIONS 1987 GRADS

Whether you're going or staying . . . you'll be SOLD on CROWDER REALTY!!

GOING:

If you're leaving Winston-Salem to pursue your medical career, we hate to see you go, but we can give you valuable assistance. Don't gamble on buying or renting help in your new city. We know, through experience, top firms throughout the country who can send you information and give you superior service . . . at **no cost to you**. Take advantage of our contacts.

STAYING:

If so, we're glad you chose to make Winston-Salem your home for a few more years and possibly permanently. Even for three years or so, a house purchase could be an excellent investment. Whatever your needs, buying, selling, or renting, call us for uniquely first class service.

Please contact:
Ms. Jinx Young

TELEPHONE 919/768-1200

*Like Good Theatre And
Music, Flying Is An Art.*

And in all
modesty, it's

an art we've really mastered.

After all, our annual revenues rose over 20% and topped \$1 billion for the second year in a row. Once again our passenger count went up. And now it's possible to catch one of our understanding performances in any one of more than 100 cities coast to coast.

What's more, our service is receiving rave reviews. We now fly one of the world's largest fleets of Boeing 737-200's and 737-300's. We acquired Empire, a leading regional carrier, and

became partners with new
commuter airlines.

And thanks to the
Piedmont Shuttle, we offer
more intra-Florida jet
service than any other
airline.

With so many extras, is it
any wonder that so many
airlines find us a tough act
to follow?

Acknowledgments

We would like to thank the following people for their invaluable assistance:

Jack Dent, David Pounds, George Lynch, Annemarie Beery, Gary Corns, Robert Myers, and the entire AV Department — *for doing work for us, often on short notice,*

June May and the Office of Student Affairs — *for answering all our questions,*

Patty Tucker — *for the biographic information on Dr. Myers,*

Sarah Patsy Knight — *for her useful suggestions,*

The Winston-Salem Journal — *for donating the photo of the helicopter pad,*

Hunter Publishing Company — *for a fantastic finished product, and especially, JoAnn Thomas — who helped us through all the rough spots.*

*Jonathan & Theda
Editors
1987 Gray Matter*

Ads Typesetting: *Gary Corns (AV Department)*

Colophon

Six hundred and fifty copies of the 170-page 1987 *Gray Matter* were printed by Hunter Publishing Company, Winston-Salem, North Carolina, using black ink on gloss paper except the 8-page tip-in which uses brown/black ink on Lively Ivory paper. Baskerville solid and italics type was used exclusively. The cover is a slate-gray lexotone, silk screened in silver, embossed and grained. The endsheets are on Gunmetal Parchtone paper and printed in black with signatures differing in front and back.
